PLEASE KEEP **GRACE COMMUNITY CENTER** OPEN!

We, the people of San Jose, would like to show our support of **GRACE COMMUNITY CENTER** for all the wonderful and critical services they provide for the members of our community. We want **GRACE COMMUNITY CENTER** to stay open and help service community members by supporting them, feeding their stomachs and souls through the useful programs they offer on a daily basis. Without **GRACE COMMUNITY CENTER**, many people with challenging mental conditions would have nowhere to go!
